

CCCCCTTGGG

The image displays the sequence CCCCCCTTGGG in a large, bold, sans-serif font. The first five 'C's are blue, the two 'T's are red, and the three 'G's are yellow. Below the letters, there are several horizontal lines and a stylized base for the final 'G'. The base consists of a blue circle, a red line, and a green line, suggesting a molecular or structural representation.
