

Sequence logo showing the conservation of nucleotides at each position. The top row shows the most conserved nucleotides: C, G, C, C, C, C, T, G, G, T, G, G, C. The bottom row shows the least conserved nucleotides: T, A, G, A, C, T, A, C, A, C, G, G, A. The logo is color-coded: C is blue, G is yellow, T is red, and A is green.
